

# COLLAGEN WASH GEL

Our skin isexposed daily to a wide range of pollutants. That's why proper cleansing isthe first, most essentialstep in any skincare routine, regardless of age.To meet this need, we developeda carefully formulated cleanser, ideal even for the most sensitive and demanding skin types, with special attention to preserving the skin's natural protective barrier — the hydrolipid film.

The Collagen Cleansing Gel is exceptionally gentle and safe, yet remarkably effective. It ensures a thorough and comfortable cleanse for both face and body, without any sensation of dryness, while also providing nourishing skincare benefits. It even removes waterproof makeup with ease.

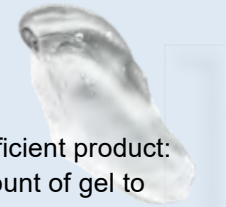

Crafted with mild cleansing agents, completely free from SLS and SLES, this formula is rich in plant-based bioactive ingredients that soothe irritation, soften, and hydrate the skin. Only when the skin is this clean and balanced can it fully absorb all the beneficial nutrients from your skincare products.

## EFFECT

- Deep cleansing and refreshing effect
- Velvety, soft-to-the-touch skin
- No feeling of tightness
- No feeling of dryness

## TIP

This is a highly efficient product: apply a small amount of gel to your hands, add water, and lather. Cleanse the skin using the resulting emulsion, gently massaging it in.

## ACTIVE INGREDIENTS

Collagen, D-Panthenol, Aloe Vera Extract, Noni Fruit Extract, Glycerin, Mild Cleansing Agents.
