SHAMPOO AND CONDITIONER STRENGTHENING HAIR

These are unique and effective products whose exeptional formula combines the power of nature with modern science to visibly strengthen hair, improve its condition, and provide them with long-lasting protection.

The innovative **Baicapil™** plant complex promotes the **activation of stem cells** in hair follicles, which encourages the anagen - growth - phase of the hair cycle. This effect helps prolong the hair growth phase and reduce the hair shedding phase.

Kerascalp™ - an advanced ingredient derived from amla fruit, which works at the cellular level stimulates hair growth, visibly increasing the amount and thickness of hair, and counteracts aging by reducing graying.

Horsetail extract, a natural source of silica, strengthens hair structures, improving their elasticity and resistance to damage and adds a healthy, natural glow to them.

Additionally, thanks to the strong properties of the **Hydrafeel®** ingredient, the hair is protected from color fading and the damaging effects of heat, making them softer and smoother and more resistant to damage.

For maximum results, it is advisable to use the Shampoo together with the Hair Strengthening Conditioner. Both products have been created to complement each other and the action of the active ingredients is xxx. This gives faster results in the form of thicker, stronger and healthier hair.

The formula of the Conditioner is additionally enriched with valuable oils. Cottonseed oil, rich in unsaturated fatty acids, which prevents split ends and dryness of hair, intensively moisturizes it and gives it a beautiful shine. In addition, this oil reduces irritation and soothes inflammation of the scalp.

Sweet almond oil, additionally, acts as a natural emollient, perfectly moisturizes hair, prevents dryness and split ends and protects them from UV radiation.

EFFECTS

- Visibly thicker, thicker and stronger full hair splendor and life
- Reduction of gray hair
- Protection against the harmful effects of external factors
- Regeneration of the scalp, soothing irritation
